Updated July 16, 2019. The 20th century began without planes, televisions, and of course, computers. These inventions radically transformed the lives of people around the globe, with many changes originating in the United States. This century witnessed two world wars, the Great Depression of the 1930s, the Holocaust in Europe, the Cold War, revolutionary social equality movements, and the exploration of space.

Decade-by-Decade Timeline of the 20th Century

The 20th Century was a time of struggle for women of all classes and races, as they fought for the right to live, work, and exist on an equal playing field as men. Time magazine compiled a list of the "25 Most Powerful Women of the 20th Century" with some interesting choices. Rosa Parks, Hillary Clinton, Mother Theresa, Julia Child, and Marie Curie made the cut, and some notable exclusions to the list include Queen Elizabeth and philanthropist Melinda Gates.
