Signal to Noise New Edition by Neil Gaiman, Dave McKean ...

Signal To Noise kind of defies or reinvents the meaning of graphic novel, or maybe morphs it into something even more artistic. This is hardly news to anyone familiar with the work of Dave McKean and Neil Gaiman and their collaborative work over the years. Signal to Noise is actually an older work that is seeing new light here!

'Signal to Noise does not entertain. It scratches, it provokes, it frightens. It tells you things you don't want to know but then twists you inside out by saying, look harder and see the poignance, the beauty of light dancing on life's edge, truth that is as simple and direct as death' Jonathan Carroll, from his introduction.
